In consideration of payment of the required Premiums, Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ) accepts the Group Acceptance. The Group Acceptance is attached to and made a part of this Policy. Horizon BCBSNJ agrees to provide the coverage described in this Policy, starting at 12:01 A.M., on the Effective Date shown in the Group Policy Schedule. The Policy continues as long as the required Premiums are paid, unless it ends as described later in this Policy. The first Premium must be paid on or before the Effective Date for this Policy to take effect.

The Policy is delivered in and is governed by the laws of the State of New Jersey.

Sincerely,

Jill Serin
Vice President, Chief Underwriter,

GROUP POLICY SCHEDULE

Effective Date: January 1, 2024

Policy Anniversary: January 01

Premiums: The amount that the Policyholder must pay to Horizon BCBSNJ for the insurance under this Policy.

Premium Due Dates: January 1, 2024, the Effective Date, and the 1st day of each month starting with February 2024.

Governing Jurisdiction: State of New Jersey

INCLUDED EMPLOYERS

Included Employers under the Policy are the Policyholder and its Affiliated Companies, if any.

An Employee of more than one included Employer will be considered an Employee of only one of those employers for the purpose of the Policy. That Employee's service with all other included Employers will be treated as service with that one.

On any date when an employer ceases to be an included Employer, the Policy will be considered to end for Employees of that employer. This applies to all of those Employees except those who, on the next day, are still within the Covered Classes of a plan of benefits of the Policy as Employees of another included Employer. The plan of benefits for Covered Classes are listed in the Policy's Schedule of Plans.

The Policyholder must let Horizon BCBSNJ know, in writing, when an employer listed as an Affiliated Company is no longer affiliated with the Policyholder.

PREMIUMS

A. PREMIUM AMOUNTS

The Premium due on each Premium Due Date is the sum of the premium charges for the insurance under the coverage(s). Those charges are determined from the Premium rates then in effect and the Employees then insured. Premiums may be determined in another way. But it must produce about the same amounts and be agreed to by the Policyholder and Horizon BCBSNJ.

The Policyholder acknowledges and agrees that We may, in Our determination, appropriate any Premium payments made by the Policyholder to any invoiced Premium payment due.

It is the Policyholder's responsibility to promptly inform Horizon BCBSNJ of all additions to or deletions of persons from the coverage(s). If one or more Premiums paid include Premium charges for a person whose coverage has ended before the due date of that Premium, Horizon BCBSNJ may credit the Premium paid for the person, but not more than the amount of (a) minus (b):

- (a) The amounts of the Premium charges for the person that were included in the total Premiums paid for the two-month period immediately prior to the date on which Horizon BCBSNJ received written notice from the Policyholder that the person's coverage ended.
- (b) The amount of any claims paid or the value of any services provided to the person (or, in the event that it is the coverage that ended, to a member of his/her family) after the date that the coverage ended.

If the amount of (a) minus (b) results in a negative amount, no Premium credit will be made.

B. PREMIUM RATE CHANGES

The Premium rates in effect on the Policy Date are shown on the rate sheet applicable to this Policy, presented by the Policyholder and incorporated herein by reference. Horizon BCBSNJ has the right to change Premium rates:

1. As of any Premium Due Date; as those dates are defined in the Group Policy Schedule;
2. As of any date that an employer becomes, or ceases to be, an Included Employer;
3. For an insurance coverage, as of any date that the extent or nature of the risk under that coverage is changed:
 - a. by amendment of the Policy;
 - b. by reason of any provision of law or any governmental program or regulation;
 - c. due to a change in benefits provided by another insurer, non-profit hospital or medical service plan or Health Maintenance Organization that the coverage under this Policy coordinates with or supplements;
 - d. due to a change in the size of the group by 10% or more.
4. At the discovery of a clerical or other error or misstatement, as described in this Policy.

5. As of the date that the nature of the Policyholder's or an Affiliated Company's business changes.

C. PAYMENT OF PREMIUMS - GRACE PERIOD

Premiums are to be paid by the Policyholder to Horizon BCBSNJ. Each may be paid at a Horizon BCBSNJ office or to one of its authorized agents. One is due on each Premium Due Date stated in the Group Policy Schedule. The Policyholder may pay each Premium other than the first Premium within 31 days of the Premium Due Date without being charged interest. Those days are defined as the Grace Period.

During the Grace Period, the Policy will stay in force. But this will not apply if, prior to the date payment was due, the Policyholder gave at least 31 days advance notice of the Policyholder's intention to cancel the Policy. Notwithstanding any such cancellation request, the Policyholder will be liable to pay Premiums to Horizon BCBSNJ for the time the Policy is in force.

Premiums unpaid after the end of the Grace Period are subject to a late payment interest charge. See "D Late Charges and Termination for Late Payment" below.

D. LATE CHARGES AND TERMINATION FOR LATE PAYMENT

If the Policyholder fails to make payment of any Premium amount required under the Policy and the amount due is not paid on or before the end of the Grace Period, the Policyholder will pay a late charge of an annual percentage of the unpaid amount until receipt of the amounts due. The annual percentage shall be determined by Us in Our discretion but shall not be more than the maximum permitted by law.

If the Premium is not paid by the end of the Grace Period, Horizon BCBSNJ may terminate the Policy retroactively to the last paid date of coverage.

The Policyholder will remain liable to Horizon BCBSNJ for all amounts due, including any late charges.

E. DISPUTED BILLINGS

The Policyholder must notify Horizon BCBSNJ, in writing, of any disputed billings within 60 days of the billing date. Failure to dispute a billing during this time frame will be deemed as the Policyholder's acceptance of the billing. The Policyholder must pay amounts that are not disputed. A disputed amount will not be deemed late until Horizon BCBSNJ reviews the disputed amount and notifies the Policyholder of the results of the review, in writing.

GENERAL RULES

A. AMENDING THE POLICY

This Policy may be amended at any time without the consent of Covered Persons or anyone else with a beneficial interest in it. This can be done through written request that is: (a) made by the Policyholder at least 60 days in advance of the proposed effective date; and (b) agreed to by Horizon BCBSNJ. But, an amendment that changes benefits under a Coverage will not affect claims Incurred before the date of the change.

Only an authorized officer of Horizon BCBSNJ has the power, on behalf of Horizon BCBSNJ, to: (a) waive any condition or restriction of the Policy; (b) extend the time in which a Premium may be paid; or (c) make any other change in the Policy.

No change in the Policy is valid unless shown in: (a) an endorsement signed by an authorized officer of Horizon BCBSNJ; or (b) an amendment to it signed by the Policyholder and an officer of Horizon BCBSNJ.

However, there are certain changes that may be made automatically in an amendment or endorsement to the Policy that is signed only by an officer of Horizon BCBSNJ. For example, Horizon BCBSNJ may amend the Policy in this manner as described in Subsection "B. Premium Rate Changes" of the Section "Premiums", or to change an address or phone number. However, except as needed to meet the requirements of a state or federal law or regulation that applies to the Policy, Horizon BCBSNJ will not amend the Policy in this manner to: (a) change Covered Services and Supplies; amounts payable; Deductibles; exclusions; frequency limits; or maximums, or (b) change general policy provisions (e.g., eligibility requirements, termination provisions, coordination of benefits, appeal rights, etc.). Furthermore, except for revisions needed to meet the requirements of a state or federal law or regulation or minor administrative changes, no such unilateral change will be made: (i) without at least 30 days advance notice; or (ii) as of any date other than an Anniversary Date. No changes may be made unless the revised text has been approved by the New Jersey Department of Banking and Insurance.

B. ASSIGNMENT

Except for claims involving emergent or inadvertent services, assignment or transfer of the interest of the Employer under this Policy will not bind Horizon BCBSNJ without Horizon BCBSNJ's advance written consent thereto. Covered Persons may not assign any rights to coverage under this Policy without Horizon BCBSNJ's advance written consent. However, Horizon BCBSNJ may Determine to pay Covered Charges directly to a Provider, Facility or Practitioner for their Covered Services and Supplies; and any such direct payment shall be treated as though paid directly to Covered Persons to satisfy Horizon BCBSNJ's obligations under this Policy.

With respect to claims involving emergent or inadvertent services, a Covered Person's right to coverage shall be assigned directly to the Provider, Facility or Practitioner. In such instances, Horizon BCBSNJ shall pay Covered Charges directly to Provider, Facility or Practitioner for their Covered Services and Supplies.

In the event an assignment of benefit occurs under this Policy, any subsequent payment for Covered Charges made by Horizon BCBSNJ to a Covered Person shall be considered unpaid. Any such assignment of benefit shall be an assignment of the right to receive payment alone and shall not be an assignment of the right to take legal action or bring administrative appeals. Covered Persons may not assign their right to take legal action under this Policy to such Provider, Facility or Practitioner.

Nothing in this Assignment provision will be deemed as a waiver of a Covered Person's right to file a claim, appeal or bring legal action. For additional information, please see the Claims Procedures, Appeals Process and Covered Persons' Rights section in this Policy.

C. CERTIFICATES OF COVERAGE

Horizon BCBSNJ will give the Policyholder an individual certificate to give to each insured Employee. It will describe the Employee's insurance under the Policy. It will include: (a) to whom Horizon BCBSNJ pays benefits; (b) any protection and rights when the insurance ends; and (c) claim rights and requirements.

D. CLERICAL ERRORS; MISSTATEMENTS

Horizon BCBSNJ's errors in keeping records pertaining to coverage under this Policy, or Horizon BCBSNJ's delays in making entries about those records, will not: (a) invalidate coverage that would otherwise be in force, or (b) serve to continue coverage that would otherwise have ended. If such an error or delay occurs, Horizon BCBSNJ will make an equitable adjustment in Premium.

Horizon BCBSNJ shall be liable to the Policyholder for any Premium adjustments involving a return of unearned Premium to the Policyholder, to the extent that Horizon BCBSNJ determines such adjustments to be warranted.

If a Policyholder's clerical error causes coverage to be provided under this Policy that would not have been provided if the error did not occur, the Policyholder shall be liable to Horizon BCBSNJ for the cost of any and all claims paid by Horizon BCBSNJ due to the error before the date that the error was discovered.

If: (a) an age or any other relevant fact about a person is used to determine the Premium for the person's insurance under this Policy; and (b) the age or that fact is found to be in error; and (c) the error affects the Premium, the Premium will be adjusted to reflect the correct age or fact. If the error involves whether or not the person would be covered under this Policy, or the amount of the person's coverage, the true facts will be used to determine if such coverage is in force, and in what amounts, subject to the Policy's Incontestability provision.

E. CONFORMITY WITH LAW

Any provision of this Policy that conflicts with the requirements of an applicable law or regulation of the State of New Jersey or the federal government is automatically changed to conform with the minimum requirements of that law or regulation.

F. CONTINUING RIGHTS

Horizon BCBSNJ's failure to apply terms and conditions of this Policy does not mean that Horizon BCBSNJ waives or gives up any future rights under this Policy.

G. END OF THE GROUP POLICY

Horizon BCBSNJ has the right not to renew this Policy, subject to any statutory notification or other requirements, if:

- a. Horizon BCBSNJ ceases to do business in the large group market or to offer the type of insurance provided under the Policy;

- b. the Policyholder fails to meet this Policy's participation rules, as set forth under L. "Participation Rules", below.

Horizon BCBSNJ also has the right to cancel this Policy subject to 30 days advance written notice to the Policyholder if the Policyholder commits fraudulent acts or makes misrepresentations about persons eligible for insurance under the Policy.

Horizon BCBSNJ's right to end this Policy is not affected by the health of anyone covered under it. This means that any Illness, Injury, or other condition that any Covered Person may have will not limit Horizon BCBSNJ's right to end this Policy. Horizon BCBSNJ cannot end this Policy due to health status related factors of any Covered Person.

The Policyholder may end this Policy or Coverage under it as of any Anniversary Date of the Policy. If the Policyholder wishes to terminate the Policy or Coverage under it on other than an Anniversary Date, the Policyholder must give Horizon BCBSNJ 30 days advance written notice. If the Policyholder does not provide the 30 days advance notice, the Policyholder must reimburse Horizon BCBSNJ in full for all claims Incurred and paid under the Policy or Coverage after termination date. Horizon BCBSNJ agrees to document these paid claims via a detailed claims listing. The Policyholder agrees to reimburse Horizon BCBSNJ within 30 days of being billed. Late payment charges will be assessed for each day payment is made beyond the due date.

H. IDENTIFICATION CARDS

Any identification cards ("ID cards") issued by Horizon BCBSNJ in connection with the insurance under the Policy are for identification only and remain the property of Horizon BCBSNJ. Possession of an ID card does not convey any rights to benefits under the Policy. If any Covered Person permits another person to use the Covered Person's ID card, Horizon BCBSNJ may invalidate that Covered Person's ID card.

I. INDEMNIFICATION BY THE POLICYHOLDER

The Policyholder agrees to indemnify and defend Horizon BCBSNJ against, and to hold Horizon BCBSNJ harmless from and against:

- (1) any and all actions; claims; demands; judgments; or awards which may be brought or obtained against Horizon BCBSNJ by any Covered Person for whom the Policyholder makes benefits under this Policy available; and
- (2) any and all liabilities; damages; losses; costs; or expenses of any kind (including, without limitation, attorneys' fees and financial or consequential damages);

which may be suffered by Horizon BCBSNJ due to: (a) fraud by the Policyholder; or (b) any other breach of the terms of this Policy by the Policyholder.

The Policyholder agrees to pay the costs and attorneys' fees Incurred by Horizon BCBSNJ in collecting any amounts due under this subsection. Any attorney retained by the Policyholder to defend Horizon BCBSNJ shall be subject to approval by Horizon BCBSNJ, which will not be unreasonably withheld. For the purposes of this subsection, "Horizon BCBSNJ" shall be deemed to include: (a) Horizon BCBSNJ; (b) its affiliates; (c) its officers; (d) its directors; (e) its employees; and (f) its representatives.

The Policyholder shall also indemnify, defend and hold Horizon BCBSNJ harmless against any of the following that occur due to the imposition of imputed income to Domestic Partners insured under the Policy: (a) claims; (b) liability; (c) damages; (d) costs; and (e) expenses.

J. NOTICES AND OTHER INFORMATION

Any notices, documents or other information regarding this Policy may be sent by U.S. mail, postage prepaid, addressed as follows:

If to Horizon BCBSNJ: To the last address on record with the Policyholder.

If to the Policyholder: To the last address of the Policyholder on file with Horizon BCBSNJ.

K. PARTICIPATION RULES

There must be at least 51 Employees eligible for coverage under this Policy. Also, at least 75% of the Employees eligible for insurance must be enrolled for coverage. (If an eligible Employee is not covered by this Policy because:

- a. the Employee is covered as a dependent under a Spouse's coverage, other than individual coverage; or
- b. the Employee is covered under any health benefits plan offered by the Employer; or
- c. the Employee is entitled to coverage under Medicare.

Horizon BCBSNJ will count that Employee as being covered by this Policy for the purpose of meeting participation rules.)

L. THE POLICY; INCONTESTABILITY OF THE POLICY; CLAIMS

The entire Policy consists of: (a) the certificate(s) of coverage listed in the Schedule of Plans, copies of which are attached to this Policy; (b) all modifications, amendments, endorsements and riders which are attached to and made a part of the Policy; (c) the Policyholder's application, a copy of which is attached to the Policy; and (d) the individual applications or enrollment forms, if any, of the persons insured. Statements made by the Policyholder or Covered Persons shall be deemed representations and not warranties. No statement of the Policyholder or Covered Persons shall be used in any contest of the insurance under the Policy unless contained in a written statement signed by the insured.

There will be no contest of the validity of the Policy after it has been in force for one year, except: (a) for not paying Premiums; or (b) if the Policyholder commits fraudulent acts or makes misrepresentations about persons eligible for insurance under the Policy.

Either the Policyholder or Horizon BCBSNJ, as they agree, will keep a record of the insured Employees. It will contain the key facts about their insurance.

Horizon BCBSNJ will furnish claim forms to the Policyholder for delivery to Covered Persons. If the Covered Person does not receive such forms within 15 days of Horizon BCBSNJ's receipt of notice of claim, timely written proof covering the occurrence, character, and extent of loss shall be accepted in lieu of the claim form.

M. RECORDS - INFORMATION TO BE FURNISHED

At the times set by Horizon BCBSNJ, the Policyholder will send the data required by Horizon BCBSNJ to perform its duties under the Policy, and to determine the Premium rates. All records of the Policyholder or of an Affiliated Company, if any, which bear on the insurance, must be open to Horizon BCBSNJ for its inspection at any reasonable time.

Horizon BCBSNJ will not have to perform any duty that depends on such data before it is received in a form that satisfies Horizon BCBSNJ. The Policyholder may correct wrong data given to Horizon BCBSNJ. An Employee's insurance under the Group Policy will not be made invalid by failure of Horizon BCBSNJ or the Policyholder, due to clerical error, to record or report the Employee for that insurance.

The Policyholder must notify Horizon BCBSNJ, within 60 days, of any event, including a change in eligibility that causes a Covered Person's insurance under Coverage to end. If this is not done, the applicable procedure for crediting premiums described in Section "B. Premium amounts" of form GRP 2002 PRE 100 will apply.

If at any time Horizon BCBSNJ requests verification and/or evidence of a Covered Person's eligibility for the insurance under Coverage, that information must be furnished in writing within 14 days after the date of the request.

N. RELATION BETWEEN HORIZON BCBSNJ AND THE BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Policyholder, on behalf of itself and its participants, agrees and understands that this Policy is solely between the Policyholder and Horizon BCBSNJ. Horizon BCBSNJ is an independent corporation that operates under a license from the Blue Cross and Blue Shield Corporation, an association of independent Blue Cross and Blue Shield Plans (the "Association"). This permits Horizon BCBSNJ to use the Blue Cross and Blue Shield Service Marks in New Jersey. Horizon BCBSNJ is not an agent of the Association.

The Policyholder, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Policy based upon any representations by any person other than Horizon BCBSNJ. The Policyholder also acknowledges and agrees that no person, entity or organization other than Horizon BCBSNJ shall be held liable to the Policyholder for any of Horizon BCBSNJ's obligations to the Policyholder. This provision shall not create any additional obligations on the part of Horizon BCBSNJ other than those created under this Policy. The Blue Cross® and Blue Shield® names and symbols are registered marks of the Blue Cross and Blue Shield Association. The Horizon® name and symbols are registered marks of Horizon Blue Cross Blue Shield of New Jersey.

O. RELATION AMONG PARTIES AFFECTED BY THE POLICY

The relationship between Horizon BCBSNJ and any In-Network Provider is that of an independent contractor. No In-Network Provider is an agent or employee of Horizon BCBSNJ, nor is Horizon BCBSNJ or any employee of Horizon BCBSNJ an employee or agent of any In-Network Provider. Each In-Network Provider will maintain the Provider-patient relationship with Covered Persons under the Policy and is solely responsible to Covered Persons for services and supplies furnished to Covered Persons.

Neither the Policyholder nor any Covered Person under the Policy is the agent or representative of Horizon BCBSNJ. Neither the Policyholder nor any Covered Person under the Policy will be liable for any acts or omissions: (a) of Horizon BCBSNJ, its agents or employees; or (b) of any Hospital or other Provider with which Horizon BCBSNJ, its agents or employees make arrangements for furnishing services and supplies to Covered Persons.

P. TERM OF POLICY-RENEWAL

This Policy is issued for a term of **12** months from the Effective Date shown on the first page of this Policy. All Policy terms and coverage months will be calculated from the Effective Date. All periods of coverage will begin and end at 12:00:01 a.m. EST.

The Policyholder may renew this Policy for a further term of one year, on the first and each later Policy Anniversary. All renewals are subject to the payment of premiums then due.

Q. SUMMARIES OF BENEFITS AND COVERAGE

Section 2715 of the Public Health Service Act, part of the federal Patient Protection and Affordable Care Act, makes issuers of health insurance coverage and group health plans (e.g., employer sponsored health plans) that: (a) are subject to certain federal laws, including the Employee Retirement Income and Security Act; and (b) purchase such coverage for the benefit of Eligible Persons, responsible for the preparation and issuance of a summary of health coverage information, called "Summaries of Benefits and Coverage" (SBCs).

For the purposes of this subsection, "Eligible Persons" shall mean: Covered Persons under this Policy; and any other persons who are eligible for, but not currently covered by, the benefits of this Policy.

The Policyholder and Horizon BCBSNJ mutually agree that their individual and shared responsibilities in complying with the final rule regarding SBCs are as described below.

Responsibilities of Horizon BCBSNJ:

- a. Horizon BCBSNJ shall prepare and deliver to the Policyholder, while this Policy is in full force and effect, SBCs that accurately and in a culturally and linguistically appropriate manner describe the benefits provided under this Policy upon request and upon renewal of this Policy by the Policyholder. Where the Policyholder has purchased additional coverage from Horizon BCBSNJ in addition to the group health benefits under this Policy, and such coverage is within the scope of benefits to be included in the SBC, Horizon BCBSNJ shall also accurately and in a culturally and linguistically appropriate manner describe the benefits provided under such additional coverage.
- b. Horizon BCBSNJ shall deliver the SBC to Horizon BCBSNJ Covered Persons upon a Covered Person's request. The SBC delivered to the Covered Person shall be specific to the currently enrolled Horizon BCBSNJ coverage. Horizon BCBSNJ will also prepare and deliver the SBC to the Policyholder for distribution by the Policyholder to Eligible Persons not currently enrolled under this Policy.
- c. The SBC(s) provided by Horizon BCBSNJ to the Policyholder shall be delivered in hard copy, unless the Policyholder directs otherwise. If electronic delivery by Horizon BCBSNJ is available, and the Policyholder so directs, the SBCs will be delivered to the Policyholder electronically, subject to any applicable federal requirements regarding such delivery.
- d. If the Policyholder wishes to prepare the final SBC with additional materials beyond information describing the benefits under this Policy (e.g., inclusion of non-Horizon BCBSNJ benefits), and Horizon BCBSNJ agrees, Horizon BCBSNJ shall provide in a timely and appropriate manner, consistent with applicable federal rules, the information to be included in the SBC. The Policyholder must make a specific request in writing. Horizon BCBSNJ shall not be responsible for, and the Policyholder shall hold Horizon BCBSNJ harmless from, the Policyholder's misuse of such information and the preparation and distribution of the SBC containing such information.

- e. With respect to parts a., b., c. and d. above, Horizon BCBSNJ's responsibilities shall be performed in accordance with all applicable federally-imposed time frames.

Responsibilities of the Policyholder:

- a. The Policyholder shall deliver to all Eligible Persons, including Horizon BCBSNJ Covered Persons, the SBC for the group health benefits provided under this Policy, as required by federal law or regulations, in a timely and appropriate manner. The Policyholder shall distribute SBCs under this provision: to all Eligible Persons with any written application materials for enrollment (including open enrollment); to special enrollees; and upon renewal of coverage; and upon request.
- b. The Policyholder shall distribute applicable SBCs, upon request and at any other times, to Eligible Persons who are not currently enrolled with Horizon BCBSNJ.
- c. Solely for the purpose of the delivery of the SBC, as applicable, the Policyholder shall allow Horizon BCBSNJ reasonable access to its Eligible Persons.

Additional Services:

Upon the Policyholder's request, and subject to the terms of a separate written agreement between the Policyholder and Horizon BCBSNJ, Horizon BCBSNJ may agree to provide certain services in connection with the preparation and delivery of SBCs, at charge, that: are not described above; or that would otherwise be the Policyholder's responsibility. Such services include, but are not necessarily limited to: (a) the inclusion in the SBC of required information about group coverage(s) not provided by Horizon BCBSNJ; or (b) the distribution of the SBC to certain Eligible Persons when such distribution would otherwise be the Policyholder's responsibility.

Indemnification:

In addition to any other indemnifications that apply under this Policy, the Policyholder and Horizon BCBSNJ agree to defend, indemnify and hold each other harmless against all claims, including: legal fees; judgments; administrative expenses; and any applicable civil penalties and damages, that may result at any time arising from or is solely attributable to: the negligence, omission, or failure to comply with the terms of this subsection; or any applicable laws or regulations that affect this subsection. - a. The Technology must either be: (a) approved by the appropriate federal regulatory agency and have been in use for the purpose defined in that approval; or (b) proven to Horizon BCBSNJ's satisfaction to be the standard of care.

This applies to drugs, biological products, devices and any other product or procedure that must have final approval to market from: (i) the FDA; or (ii) any other federal government body with authority to regulate the Technology. But, such approval does not imply that the Technology will automatically be deemed by Horizon BCBSNJ as Medically Necessary and Appropriate and the accepted standard of care.

- b. There must be sufficient proof, published in peer-reviewed scientific literature, that confirms the effectiveness of the Technology. That proof must consist of well-designed and well-documented investigations. But, if such proof is not sufficient or is questionable, Horizon BCBSNJ may consider opinions about and evaluations of the Technology from appropriate specialty advisory committees and/or specialty consultants.
- c. The Technology must result in measurable improvement in health outcomes, and the therapeutic benefits must outweigh the risks, as shown in scientific studies. "Improvement" means progress toward a normal or functional state of health.
- d. The Technology must be as safe and effective as any established modality. (If an alternative to the Technology is not available, Horizon BCBSNJ may, to determine the safety and effectiveness of a Technology, consider opinions about and evaluations of the Technology from appropriate specialty advisory committees and/or specialty consultants.)
- e. The Technology must demonstrate effectiveness when applied outside of the investigative research setting.

Services and supplies that are furnished for, or in connection with an Experimental or Investigational Technology are not Covered Services and Supplies under this Program, even if they would otherwise be deemed Covered Services and Supplies. But, this does not apply to: (a) services and supplies needed to treat a patient suffering from complications secondary to the Experimental or Investigational Technology; or (b) Medically Necessary and Appropriate services and supplies that are needed by the patient, apart from such a Technology.

Regarding a. above, Horizon BCBSNJ will evaluate a Prescription Drug for uses other than those approved by the FDA. For this to happen, the drug must be recognized to be Medically Necessary and Appropriate for the condition for which it has been prescribed in one of these:

- The American Hospital Formulary Service Drug Information.
- The United States Pharmacopeia Drug Information.

Even if such an "off-label" use of a drug is not supported in one or more of the above compendia, Horizon BCBSNJ will still deem it to be Medically Necessary and Appropriate if supportive clinical evidence for the particular use of the drug is given in a clinical study or published in a major peer-reviewed medical journal. But, in no event will this Program cover any drug that the FDA has determined to be Experimental, Investigational or contraindicated for the treatment for which it is prescribed.

Also, regardless of anything above, this Program will provide benefits for services and supplies furnished to a Covered Person for medical care and treatment associated with: (i) an approved cancer clinical trial (Phase I, II, III and/or IV); or (ii) an approved Phase I, II, III and/or IV clinical trial for another life threatening condition. This coverage will be provided if: (a) the Covered Person's Practitioner is involved in the clinical trial; and (b) he/she has concluded that the Covered Person's participation would be appropriate. It can also be provided if the Covered Person gives medical or scientific information proving that such participation would be appropriate.

This coverage for clinical trials includes, to the extent coverage would be provided other than for the clinical trial: (a) Practitioners' fees; (b) lab fees; (c) Hospital charges; (d) treating and evaluating the Covered Person during the course of treatment or regarding a complication of the underlying illness; and (e) other routine costs related to the patient's care and treatment, to the extent that these services are consistent with usual and customary patterns and standards of care furnished whenever a Covered Person receives medical care associated with an approved clinical trial.

This coverage for clinical trials does not include: (a) the cost of Experimental or Investigational drugs or devices themselves; (b) non-health services that the patient needs to receive the care and treatment; (c) the costs of managing the research; or (d) any other services, supplies or charges that this Program would not cover for treatment that is not Experimental or Investigational.

With respect to coverage for clinical trials, Horizon BCBSNJ will not:

- Deny a qualified Covered Person participation in an approved clinical trial;
- Deny or impose additional conditions on the coverage of routine patient costs for items and services furnished in connection with an approved clinical trial; or
- Discriminate against the Covered Person on the basis of his/her participation in such a trial.

Family or Medical Leave of Absence: A period of time of predetermined length, approved by the Policyholder, during which the Employee does not work, but after which the Employee is expected to return to Active service. Synchronization of Prescription Drugs

This Program provides for synchronization of covered Prescription Drugs on at least one occasion per year for each Covered Person. For the purposes of this section "synchronized" and "synchronization" refers to the process by which a Covered Person refills his or her multiple Prescription Drugs at the same time and from the same Pharmacy.

Prescription Drugs may be dispensed by an In-Network Pharmacy in an amount equal to less than a 30-day supply in order to reduce the Copayment or Coinsurance, as applicable. Copayments and/or Coinsurance for Prescription Drugs dispensed for supplies of less than 30-days will be prorated on a daily basis and will only be provided when:

- (a) the Covered Person's Practitioner has determined that a reduced supply of Prescription Drugs is Medically Necessary and Appropriate; or

Drug Utilization, Cost Management and Rebates

Horizon BCBSNJ conducts various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through these efforts, Covered Persons benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. Horizon BCBSNJ may, from time-to-time, also enter into agreements that result in us receiving rebates or other funds (collectively, "rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drug products across all of our business and not solely on anyone Covered Person's or one group's utilization of Prescription Drugs. Rebates will not change or reduce the amount of any Copayment, Coinsurance or Deductibles applicable under the Prescription Drug Program.

Obtaining Coverage of a Non-Preferred Prescription Drug at the Preferred Level of Benefits

Horizon BCBSNJ employs a three tier Copayment structure. When purchasing a Prescription Drug, a Covered Person's Copayment will vary depending upon whether the Prescription Drug is a Preferred Brand Name Prescription Drug or a Non-Preferred Brand Name Drug. In the event that a Non-Preferred Prescription Drug is determined to be Medically Necessary and Appropriate, a Covered Person or his/her health care Provider may request that the Prescription Drug be covered at the Preferred Drug level. A Non-Preferred Prescription Drug is deemed to be Medically Necessary and Appropriate if the health care Provider certifies that:

1. It is approved under the Federal Food, Drug and Cosmetic Act; or
2. Its use is supported by one or more citations included or approved for inclusion in The American Hospital Formulary Service Drug Information or the United States Pharmacopoeia; or
3. It is recommended by a clinical study or review article in a major-peer reviewed professional journal, and
4. The prescribing health care Provider demonstrates that all Preferred Drugs used to treat the diseased state have been ineffective in the treatment of the Covered Person's disease or condition, or all such drugs have caused or are reasonably expected to cause adverse or harmful reactions in the Covered Person.

In the event the above criteria are met, the Covered Person or his/her health care Provider may request that the Non-Preferred Prescription Drug be covered at the Preferred Drug level. In the event the request is approved, the Prescription Drug will be covered at the appropriate Preferred level depending upon whether the drug is a Generic Prescription Drug or Brand Name Drug. A plan medical doctor licensed to practice medicine will perform all reviews of such requests. The plan medical doctor may be an employee of Horizon BCBSNJ or its affiliates, or may be a contracted delegate performing in accordance with Horizon BCBSNJ's policies and procedures.

To gain approval for a Non-Preferred Prescription Drug to be covered at the Preferred level, the Covered Person's health care Provider must contact Horizon BCBSNJ and provide the appropriate information for a determination to be made. Documentation must be provided certifying the Medical Necessity and Appropriateness of the Prescription Drug based upon the above definition. Documentation must include that part of the Covered Person's medical record that indicates which drugs have been prescribed as well as the reactions or ineffectiveness of each such drug. This may be demonstrated by prior patient experience with similar drugs or classes of drugs. Documentation may be submitted via facsimile. Once the appropriate information is received by Horizon BCBSNJ, we will make a determination and respond to the prescribing health care Provider by telephone or other telecommunication device within one business day of receipt of such information. Our failure to respond within this time period can be deemed an approval of the request. Initial denials shall also be provided to the prescribing health care Provider and the Covered Person in writing within five business days of receipt of the necessary information and

shall include the clinical reason for the denial. Horizon BCBSNJ or its delegate will maintain an on-call process for obtaining approval of the Prescription Drug in emergency situations 24 hours per day, 7 days per week. Denials can be appealed pursuant to those procedures described in this Booklet under "Appeals Process", including the right to appeal to the Independent Health Care Appeals Program in the Department of Health and Senior Services.

Obtaining Benefits for Out-of-Network Drugs

If Prescription Drugs are purchased from Out-of-Network Pharmacies, Covered Persons will need to file a claim for benefits. See "Claim Procedures" in this Policy for information about this process.

GENERAL INFORMATION

How To Enroll

If you meet your Employer's and Horizon BCBSNJ's eligibility rules, including any Waiting Period established by the Employer, you may enroll by completing an enrollment card. If you enroll your eligible Dependents at the same time, their coverage will become effective on the same date as your own. Except as otherwise provided below, if you or an eligible Dependent is not enrolled within 31 days after becoming eligible for the coverage under this Program, that person is deemed a Late Enrollee.

Your Identification (ID) Card

You will receive an ID card, digitally or hardcopy, to show to the Hospital, physician or other Provider when you receive services or supplies. Your ID card shows: (a) the group through which you are enrolled; (b) your type of coverage; and (c) your ID number. All of your covered Dependents share your identification number as well.

If you receive a hardcopy, always carry this card and use your ID number when you or a Dependent receive (s) Covered Services or Supplies. If you lose your card, you can still use your coverage if you know your ID number. The inside back cover of this Booklet has space to record your ID number, along with other information you will need when asking about your benefits. You should, however, contact your benefits representative quickly to replace the lost card.

You cannot let anyone other than you or a Dependent use your card or your coverage.

Types Of Coverage Available

You may enroll under one of the following types of coverage:

- **Single** - provides coverage for you only.
- **Family** - provides coverage for you, your Spouse or Domestic Partner and your Child Dependents.
- **Husband and Wife/Two Adults** - provides coverage for you and your Spouse or Domestic Partner only.
- **Parent and Child(ren)** - provides coverage for you and your Child Dependents, but not your Spouse or Domestic Partner.

Change In Type Of Coverage

If you want to change your type of coverage, see your benefits representative. If you marry, you should arrange for enrollment changes within 31 days before or after your marriage.

If: (a) you gain or lose a member of your family; or (b) someone covered under this Program changes family status, you should check this Booklet to see if coverage should be changed. This can happen in many ways, e.g., due to the birth or adoption of a child, divorce, or death of a Spouse.

For example:

- If you are already enrolled, your newborn infant or adopted child is automatically included. However, if you are enrolled for Family or Parent and Child(ren) coverage, you must still submit an enrollment form to notify us of the addition. If you are enrolled for Single coverage, you must enroll your child and pay any required additional premium within 31 days in order to continue the child's coverage beyond that period.

- If you have Single coverage and marry, or acquire a Domestic Partner, your new Spouse or Domestic Partner will be covered from the date you marry or meet the rules for covering Domestic Partners if you apply for Husband and Wife/Domestic Partner or Family coverage within 31 days.

Except as provided below, anyone who does not enroll within a required time will be considered a Late Enrollee. Late Enrollees may enroll only during the next open-enrollment months. Coverage will be effective as of the open-enrollment effective date.

Enrollment of Dependents

Horizon BCBSNJ cannot deny coverage for your Child Dependent on the grounds that:

- The Child Dependent was born out of wedlock;
- The Child Dependent is not claimed as a dependent on your federal tax return; or
- The Child Dependent does not reside with you or in the Service Area.

If you are the non custodial parent of a Child Dependent, Horizon BCBSNJ will:

- Provide such information to the custodial parent as may be needed for the Child Dependent to obtain benefits through this Program;
- Permit the custodial parent, or the Provider, with the authorization of the custodial parent, to submit claims for the Child Dependent for Covered Services and Supplies, without your approval; and
- Make payments on such claims directly to: (a) the custodial parent; (b) the Provider; or (c) the Division of Medical Assistance and Health Services in the Department of Human Services, which administers Medicaid, as appropriate.

If you are a parent who is required by a court or administrative order to provide health coverage for your Child Dependent, Horizon BCBSNJ will:

- Permit you to enroll your Child Dependent, without any enrollment restrictions;
- Permit: (a) the Child Dependent's other parent; (b) the Division of Medical Assistance and Health Services; or (c) the Division of Family Development as the State IV D agency, in the Department of Human Services, to enroll the Child Dependent in this Program, if the parent who is the Covered Person fails to enroll the Child Dependent; and
- Not terminate coverage of the Child Dependent unless the parent who is the Covered Person provides Horizon BCBSNJ with satisfactory written proof that:
 - the court or administrative order is no longer in effect; or
 - the Child Dependent is or will be enrolled in a comparable health benefits plan which will be effective on the date coverage under this Program ends.

Special Enrollment Periods

Persons who enroll during a Special Enrollment Period described below are not considered Late Enrollees.

Individual Losing Other Coverage

If you and/or an eligible Dependent, are eligible for coverage, but not enrolled, you and/or your Dependent must be allowed to enroll if each of the following conditions is met:

- a. The person was covered under a group or other health plan at the time coverage under this Program was previously offered.
- b. You stated in writing that coverage under the other plan was the reason for declining enrollment when it was offered.
- c. The other health coverage:
 - (i) was under a COBRA (or other state mandated) continuation provision and the COBRA or other coverage is exhausted; or
 - (ii) was not under such a provision and either: (a) coverage was terminated as a result of: loss of eligibility for the coverage (including as a result of legal separation; divorce; death; termination of employment; or reduction in the number of hours of employment); or (b) employer contributions toward such coverage ended.
- d. Enrollment is requested within 31 days after: (a) the date of exhaustion of the coverage described in item (c)(i) above; or (b) termination of the coverage or employer contributions as described in item (c)(ii) above.

In this case, coverage under this Program will be effective as of the date that the prior health coverage ended.

New Dependents

If the following conditions are met, Horizon BCBSNJ will provide a Dependent Special Enrollment Period during which the Dependent (or, if not otherwise enrolled, you) may enroll or be enrolled:

- a. You are covered under the Program (or have met any Waiting Period and are eligible to enroll but for a failure to enroll during a previous enrollment period).
- b. The person becomes your dependent through marriage, birth, or adoption (or placement for adoption).

The Dependent Special Enrollment Period is a period of no less than 31 days starting on the later of: (a) the date dependent coverage is made available pursuant to this section; or (b) the date of the marriage, birth, or adoption/placement.

Special Enrollment Due to Marriage

You may enroll a new Spouse under this Program. If you are eligible, but previously declined coverage, you are also eligible to enroll at the same time that your Spouse is enrolled.

You must request enrollment of your Spouse within 31 days after the marriage.

The coverage becomes effective not later than the first day of the month next following the date of the completed request.

Special Enrollment Due to Newborn/Adopted Children

You may enroll a newly born or newly adopted Child Dependent. Horizon BCBSNJ will cover your newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31-day period as stated below:

- (a) If you are already covered for dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for the coverage is still paid.
- (b) If you are not covered for dependent child coverage on the date the child is born, you must:
 - make written request to enroll the child; and
 - pay the premium for the coverage within 31 days after the date of birth.

If you do not make the request and the premium is not paid within such 31-day period, the newborn child will be a Late Enrollee.

Multiple Employment

If you work for both the Policyholder and an Affiliated Company, or for more than one Affiliated Company, Horizon BCBSNJ will treat you as if employed only by one Employer. You will not have multiple coverage.

Eligible Dependents

Your eligible Dependents are your Spouse or Domestic Partner and your Child Dependents.

To enroll a Domestic Partner, you must provide proof that a Domestic Partnership exists by providing the Policyholder and Horizon BCBSNJ with an acceptable proof of the Domestic Partnership.

Coverage for your Spouse will end: (a) on the date of your Spouse's death; (b) at the end of the Benefit Month in which you divorce; or (c) at the end of the Benefit Month in which you tell us to delete your Spouse from coverage following marital separation.

Coverage for a Domestic Partner will end when the Domestic Partnership ends.

Coverage for a Child Dependent ends at the last day of the Calendar Year in which the Child Dependent reaches age **26**.

Coverage will continue for a Child Dependent beyond the age of **26** if, immediately prior to reaching that age (1) the child is unmarried; and (2) he/she was enrolled under this Program or another policy/contract and is incapable of self-sustaining employment by reason of intellectual disability. For your handicapped Child Dependent to remain covered, you must submit proof of his/her inability to engage in self-sustaining employment by reason of intellectual disability within 31 days of the child's attainment of age **26**. The proof must be in a form that meets our approval. Such proof must be resubmitted every two years within 31 days before or after the Child Dependent's birth date.

Coverage for a handicapped Child Dependent will end on the last day of the month in which the first of these occurs: (a) the end of your coverage; (b) the failure of your Child Dependent to meet the definition of Child Dependent for any reason other than age; or (c) the end of your Child Dependent's inability to engage in self-sustaining employment by reason of intellectual disability or physical handicap.

If your child was enrolled as an intellectually disabled Child Dependent under prior coverage with Horizon BCBSNJ and there has been no interruption in coverage, the child may be covered as a Child Dependent under this Program, regardless of age.

When Coverage Ends

Your coverage under this Program ends when the first of these occurs:

- The end of the Benefit Month in which you cease to be eligible due to termination of your employment or any other reason.
- The date on which the Group Policy ends for the class of which you are a member.
- You fail to make, when due, any required contribution for the coverage.

Coverage for a Dependent ends:

- When your coverage ends.
- When coverage for Dependents under this Program ends.
- When you fail to make, when due, any required contribution for the Dependent coverage.
- As otherwise described under "Eligible Dependents", above.

In addition to the above reasons for the termination of coverage under the Program, an act or omission by a Covered Person which, as determined by Horizon BCBSNJ shows intent to defraud Horizon BCBSNJ (such as: (a) the intentional and/or repeated misuse of Horizon BCBSNJ's services; or (b) the omission or misrepresentation of a material fact on a Covered Person's application for enrollment, health statement or similar document), upon 30 days prior written notice, will result in the cessation of the Covered Person's coverage under this Program. Such an act includes, but is not limited to:

- The submission of any claim and/or statement with materially false information.
- Any information which conceals for the purpose of misleading.
- Any act which could constitute a fraudulent insurance act.

Any termination for fraud will be retroactive to the Coverage Date. Horizon BCBSNJ retains the right to recoup from any involved person all payments made and/or benefits paid on his/her behalf.

Also, coverage under this Program will end for any Covered Person who misuses an ID card issued by Horizon BCBSNJ.

Benefits After Termination

If you or a Dependent are confined as an Inpatient in a Facility on the date coverage ends, the Program's benefits will be paid, subject to the Program's terms, for Covered Services and Supplies furnished during the uninterrupted continuation of that stay.

If You Leave Your Group Due To Total Disability

If you lose your job or become ineligible due to Total Disability, you can arrange to continue the Program's coverage for you and your covered Dependents, if any, if:

- You were continuously enrolled under the Program for the three months immediately prior to the date your employment or eligibility ended;

- You notify your Employer in writing that you want to continue your coverage (within 31 days of the date your coverage would otherwise end);
- You make any required contribution toward the group rate for the continued coverage.

The continued coverage under this Program for you and your covered Dependents, if any, will end at the first of these to occur:

- Failure by you to make timely payment of any contribution required by your Employer. If this happens, coverage stops at the end of the period for which contributions were made.
- The date you become employed and eligible for benefits under another group health plan; or, in the case of a Dependent, the date the Dependent becomes employed and eligible for such benefits.
- The date this Program ends for the class of which you were a member.
- In the case of a Dependent, the date that he/she ceases to be an eligible Dependent.

Coverage under this Program is also available to you (and any eligible Dependents), subject to the above requirements, if you are a Totally Disabled former Employee whose group health coverage for you and those Dependents under your Employer's plan provided by another carrier was continued without interruption pursuant to state law.

Extension Of Coverage Due To Termination of the Group Policy

This applies if you or a covered Dependent are Totally Disabled on the date coverage under this Program ends due to termination of the Group Policy. In this event, benefits will continue to be available for that person for Covered Services and Supplies needed due to the Illness or Injury that caused the disability. Benefits will continue to be paid during the uninterrupted period of the disability, but not for more than 90 days from the date the coverage ends.

Continued Coverage Under The Federal Family And Medical Leave Act

If you take a leave that qualifies under the Federal Family and Medical Leave Act (FMLA) (e. g., to care for a sick family member, or after the birth or adoption of a Child Dependent), you may continue coverage under this Program. You may also continue coverage for your Dependents.

You will be subject to the same Program rules as an Active Employee. But, your legal right to have your Employer pay its share of the required premium, as it does for Active Employees, is subject to your eventual return to Active work.

Coverage that continues under this law ends at the first to occur of the following:

- The date you again become Active.
- The end of a total leave period of 12 weeks in any 12 month period.
- The date coverage for you or a Dependent would have ended had you not been on leave.
- Your failure to make any required contribution.

Consult your benefits representative for application forms and further details.

Continued Coverage For Surviving Dependents

Covered Dependents of a deceased Employee may have coverage continued under this Program until the first to occur of the following:

- The date which is 180 days after the Employee's death.
- The date the Dependent fails to make any required contribution for the continued coverage.
- The date on which the Dependent is no longer an eligible Dependent.
- The date the Program's coverage for the deceased Employee's class ends.

Consult your benefits representative for further details.

Continuation of Coverage under COBRA

Under a federal law called the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), you and your enrolled Dependents, and any newborn or newly adopted child may have the opportunity to continue group health care coverage which would otherwise end, if any of these events occur:

- Your death;
- Your work hours are reduced;
- Your employment ends for a reason other than gross misconduct.*

Each of your enrolled Dependents has the right to continue coverage if it would otherwise end due to any of these events:

- Your death;
- Your work hours are reduced;
- Your employment ends for reasons other than gross misconduct;*
- You became entitled to Medicare benefits;
- In the case of your Spouse, the Spouse ceased to be eligible due to divorce or legal separation; or
- In the case of a Child Dependent, he/she ceased to be a Child Dependent under this Program's rules.

* (See "If You Leave Your Group Due To Total Disability" above for your continuation rights if your employment ends due to total disability.)

You or your Dependent must notify your benefits representative of a divorce or legal separation, or when a child no longer qualifies as a Child Dependent. This notice must be given within 60 days of the date the event occurred. If notice is not given within this time, the Dependent will not be allowed to continue coverage.

You will receive a written election notice of the right to continue the insurance. In general, this notice must be returned within 60 days of the later of: (a) the date the coverage would otherwise have ended; or (b) the date of the notice. You or the other person asking for coverage must pay the required amount to maintain it. The first payment must be made by the 45th day after the date the election notice is completed.

If you and/or your Dependents elect to continue coverage, it will be identical to the health care coverage for other members of your class. It will continue as follows:

- Up to 18 months in the event of the end of your employment or a reduction in your hours. Further, if you or a covered Dependent are determined to be disabled, according to the Social Security Act, at the time you became eligible for COBRA coverage, or during the first 60 days of the continued coverage, that person and any other person then entitled to the continued coverage may elect to extend this 18-month period for up to an extra 11 months. To elect this extra 11 months, the person must give the Employer written proof of Social Security's determination before the first to occur of: (a) the end of the 18 month continuation period; or (b) 60 days after the date the person is determined to be disabled.
- Up to 36 months for your Dependent(s) in the event of: your death; your divorce or legal separation; your entitlement to Medicare; or your child ceasing to qualify as a Child Dependent.

Continuation coverage for a person will cease before the end of a maximum period just described if one of these events occurs:

- This Program ends for the class you belong to.
- The person fails to make required payments for the coverage.
- The person becomes covered under any other group health plan. But, coverage will not end due to this rule until the end of any period for which benefits for them are limited, under the other plan.
- The person becomes entitled to Medicare benefits.

If a person's COBRA coverage was extended past 18 months due to total disability; and there is a final determination (under the Social Security Act) that the person, before the end of the additional continuation period of 11 months, is no longer disabled, the coverage will end on the first of the month that starts more than 30 days after that determination.

The above is a general description of COBRA's requirements. If coverage for you or a Dependent ends for any reason, you should immediately contact your benefits representative to find out if coverage can be continued. Your Employer is responsible for providing all notices required under COBRA.

If you get divorced, your former Spouse may also have the option to transfer to direct payment coverage at the end of this extended period of coverage. See the "Conversion Coverage" section below.

Continuation of Coverage under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

If the Employee is absent from work due to performing service in the uniformed services, this federal law gives the Employee the right to elect to continue the health coverage under this Policy (for himself/herself and the Employee's Dependents, if any). If the Employee so elects, the coverage can be continued, subject to the payment of any required contributions, until the first to occur of the following:

- The end of the 24-month period starting on the date the Employee was first absent from work due to the service.
- The date on which the Employee fails to return to work after completing service in the uniformed services, or fails to apply for reemployment after completing service in the uniformed services.
- The date on which this Policy ends.

If the Employee elects to continue the coverage, the Employee's contributions for it are determined as follows:

- a) If the Employee's service in the uniformed services is less than 31 days, his/her contribution for the coverage will be the same as if there were no absence from work.
- b) If the service extends for 31 or more days, the Employee's contribution for the coverage can be up to 102% of the full premium for it.

For the purposes of this provision, the terms "uniformed services" and "service in the uniformed services" have the following meanings:

Uniformed services: The following:

1. The Armed Services.
2. The Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty.
3. The commissioned corps of the Public Health Service.
4. Any other category of persons designated by the President in time of war or national emergency.

Service in the uniformed services: The performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority. This includes:

1. Active duty.
2. Active and inactive duty for training.
3. National Guard duty under federal statute.
4. A period for which a person is absent from employment: (a) for an exam to determine the fitness of the person to perform any such duty; or (b) to perform funeral honors duty authorized by law.
5. Service as: (a) an intermittent disaster-response appointee upon activation of the National Disaster Medical System (NDMS); or (b) a participant in an authorized training program in support of the mission of the NDMS.

Continued Coverage for Over-Age Dependents

Under this provision, an Employee's Over-Age Dependent has the opportunity to elect continued coverage under this Policy after his/her group health coverage ends due to attainment of a specific age.

For the purposes of this provision, an "Over-Age Dependent" is an Employee's child by blood or law who:

- is 30 years of age or younger;
- is not married, or in a Civil Union or Domestic Partnership;
- has no dependents of his/her own;
- is either a New Jersey resident or enrolled as a full-time student at an accredited school;

- is not covered under any other group or individual health benefits plan; group health plan; church plan; or health benefits plan; and is not entitled to Medicare on the date the Over-Age Dependent continuation coverage begins.

If a Dependent Is Over the Limiting Age for Dependent Coverage

If a Child Dependent is over the limiting age for dependent coverage under this Policy, and:

- (a) the Dependent's group health benefits are ending or have ended due to his/her attainment of that age; or
- (b) the Dependent has receipt of benefits,

he/she may elect to be covered under this Policy until his/her 31st birthday, subject to the following subsections.

Conditions for Election

An Over-Age Dependent is only entitled to make an election for continued coverage pursuant to this provision if both of these conditions are met.

- The Over-Age Dependent must provide receipt of benefits under: a group or individual health benefits plan; group health plan; church plan; health benefits plan; or Medicare. Such prior coverage must have been in effect at some time prior to making an election for this Over-Age Dependent coverage.
- Unless a parent of an Over-Age Dependent has no other Dependents eligible for coverage under this Policy, or has a Spouse or Civil Union or Domestic Partnership who is covered elsewhere, the parent must be enrolled for Dependents coverage under this Policy at the time the Over-Age Dependent elects continued coverage.

Election of Continuation

To continue group health benefits, the Over-Age Dependent must make written election to Horizon BCBSNJ. If this is done, the effective date of the continued coverage will be the latest of these dates:

- The date the Over-Age Dependent gives written notice to Horizon BCBSNJ.
- The date the Over-Age Dependent pays the first premium for it.
- The date the Over-Age Dependent would otherwise lose coverage due to attainment of the limiting age.

For a Dependent whose coverage has not yet terminated due to attainment of the limiting age, the written election must be made within 30 days prior to termination of the coverage due to that attainment if the child seeks to maintain continuous coverage. The written election may be made later, but if this is done, there will be a lapse in coverage.

For a Dependent who was not covered on the date he/she reached the limiting age, the written election may be made at any time.

For a person who did not qualify as an Over-Age Dependent due to failure to meet the requirements to be an Over-Age Dependent, but who later meets all of those requirements, the written election may be made at any time after the requirements are met.

Payment of Premiums

Horizon BCBSNJ will set the premiums for the continued coverage, in a manner that is consistent with the requirements of applicable New Jersey law.

The first month's premium must be paid within 30 days of the date the Over-Age Dependent elects continued coverage.

Subsequent premiums must be paid monthly, in advance, and will be remitted by the Policyholder.

Grace Period for the Payment of Premiums

An Over-Age Dependent's premium payment is timely as follows:

- With respect to the first due payment, if it is made within 30 days after the election for continued coverage;
- With respect to later payments, if they are made within 30 days of the date they become due.

Scope of Continued Coverage

The continued coverage will be identical to the coverage provided to the Over-Age Dependent's parent who is covered as an Employee under this Policy and will be evidenced by a separate Booklet and ID card being issued to the Over-Age Dependent. Subject to the following subsection, if this Policy's coverage for other dependents who are Covered Persons is modified, the coverage for Over-Age Dependents will be modified in like manner. Evidence of insurability is not required for the continued coverage.

Single Coverage for Over-Age Dependents

The continued coverage for an Over-Age Dependent is single coverage. Any Deductible, Coinsurance and/or Copayment required of and payable by an Over-Age Dependent during a period of continued coverage pursuant to this provision is independent of any Deductible, Coinsurance and/or Copayment required of and payable by the other covered family members. Regardless of anything above to the contrary, any current or future provision of this Policy allowing for a family deductible limit, family out-of-pocket maximum or any other similar provision that aggregates the experience of a covered family does not apply to the continued coverage for the Over-Age Dependent.

When Continuation Ends

An Over-Age Dependent's continued coverage ends as of the first to occur of the following:

- The date on which the Over-Age Dependent fails to meet any one of the conditions to be an Over-Age Dependent.
- The end of a period during which a required premium payment for the continued coverage is not made when due, subject to the "Grace Period for the Payment of Premiums" subsection above.
- The date on which the Employee's coverage ends.
- The date on which this Policy coverage for Dependents is ended.

- The date on which the Employee waives this Policy's Dependents coverage. However, if the Employee has no other Dependents, the Over-Age Dependent's coverage under this Policy will not end due to that waiver.

Inapplicability of Other Continuation Provisions

Regardless of anything in this Policy to the contrary, for an Over-Age Dependent who has continued coverage pursuant to this provision, this provision supersedes any other continuation right(s) that would otherwise be available to him/her under this Policy. Such an Over-Age Dependent is not entitled to continuation under any such other provision either while this provision's continuation is in force or after it ends.

Conversion Coverage

If coverage under this Program for your Spouse ends due to divorce, the former Spouse may apply to Horizon BCBSNJ for individual non group health care coverage. To do so, he/she must apply to Horizon BCBSNJ in writing no later than 31 days after the coverage under this Program ends.

The former Spouse does not need to prove he/she is in good health.

The coverage will be at least equal to the basic benefits under contracts then being issued by Horizon BCBSNJ to new non-group applicants of the same age and family status. This coverage is called "conversion coverage." The conversion coverage, if provided, may be different than the coverage provided by this Program. We will provide details of this conversion coverage upon request.

If Horizon BCBSNJ determines that the former Spouse is entitled to conversion coverage (according to the above rules), it will go into effect on the day after his/her coverage under this Program ends, if the application is furnished timely and the premium for the coverage is paid when due.

If the former Spouse is not located in New Jersey when he/she becomes eligible for this conversion coverage, we will provide information whereby the former Spouse can apply for any individual health coverage made available by the Blue Cross/Blue Shield plan in the area where the Spouse is located.

Continuation of Care

Horizon BCBSNJ will provide written notice to each Covered Person at least 30 business days prior to the termination or withdrawal from Horizon BCBSNJ's Network of a Covered Person's PCP or any other Provider currently treating the Covered Person, as reported to Horizon BCBSNJ. The 30 day prior notice may be waived in cases of immediate termination of a Provider based on: breach of contract by the Provider; a determination of fraud; or Our Medical Director's opinion that the Provider is an imminent danger to the patient or the public health, safety or welfare.

Horizon BCBSNJ shall assure continued coverage of Covered Services and Supplies by a terminated Provider for up to four months in cases where it is Medically Necessary and Appropriate for the Covered Person to continue treatment with that Provider. In the case of pregnancy of a Covered Person: (a) the Medical Necessity and Appropriateness of continued coverage by that Provider shall be deemed to be shown; and (b) such coverage can continue to the postpartum evaluation of the Covered Person, up to six weeks after the delivery.

In the event that a Covered Person is receiving post-operative follow-up care, Horizon BCBSNJ shall continue to cover services rendered by the Provider for the duration of the treatment, up to six months. In the event that a Covered Person is receiving oncological or psychiatric treatment, Horizon BCBSNJ shall continue to cover services rendered by the Provider for the duration of the treatment, up to one

year. If the services are provided in an acute care Facility, Horizon BCBSNJ will continue to cover them regardless of whether the Facility is under contract or agreement with Horizon BCBSNJ.

Covered Services and Supplies shall be covered to the same extent as when the Provider was employed by or under contract with Horizon BCBSNJ. Payment for Covered Services and Supplies shall be made based on the same methodology used to reimburse the Provider while the Provider was employed by or under contract with Horizon BCBSNJ.

Horizon BCBSNJ shall not allow continued services in cases where the Provider was terminated due to: (a) Our Medical Director's opinion that the Provider is an imminent danger to a patient or to the public health, safety and welfare; (b) a determination of fraud; or (c) a breach of contract.

Medical Necessity And Appropriateness

We will make payment for benefits under this Program only when:

- Services are performed or prescribed by your attending physician;
- Services, in our judgment, are provided at the proper level of care (Inpatient; Outpatient; Out-of-Hospital; etc.);
- Services or supplies are Medically Necessary and Appropriate for the diagnosis and treatment of an Illness or Injury.

THE FACT THAT YOUR ATTENDING PHYSICIAN MAY PRESCRIBE, ORDER, RECOMMEND OR APPROVE A SERVICE OR SUPPLY DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY AND APPROPRIATE FOR THE DIAGNOSIS AND TREATMENT OF AN ILLNESS OR INJURY OR MAKE IT AN ELIGIBLE MEDICAL EXPENSE.

Cost Containment

If we determine that an eligible service can be provided in a medically acceptable, cost effective alternative setting, we reserve the right to provide benefits for such a service when it is performed in that setting.

Managed Care Provisions

Member Services

The Member Services Representatives who staff Horizon BCBSNJ Member Services Departments are there to answer Covered Persons' questions about the Program and to assist in managing their care. To contact Member Services, a Covered Person should call the number on his/her Identification (ID) Card.

Miscellaneous Provisions

- a. This Program is intended to pay for Covered Services and Supplies as described in this booklet. Horizon BCBSNJ does not provide the services or supplies themselves, which may, or may not, be available.
- b. Horizon BCBSNJ is only required to provide its Allowance for Covered Services and Supplies, to the extent stated in the Group Policy. Horizon BCBSNJ has no other liability.

- c. Benefits are to be provided in the most cost-effective manner practicable. If Horizon BCBSNJ determines that a more cost-effective manner exists, Horizon BCBSNJ reserves the right to require that care be rendered in an alternate setting as a condition of providing payment for benefits.

Drugs to treat sexual dysfunction in excess of four units per month.

CLAIMS PROCEDURES

Claim forms and instructions for filing claims will be provided to Covered Persons by the Employer. Completed claim forms and any other required materials must be submitted to Horizon BCBSNJ or its designees for processing. Covered Persons do not need to file claims for In-Network Covered Services and Supplies. For Out-of-Network Covered Services and Supplies, Covered Persons will generally have to file a claim for benefits, unless a state law requires Providers to file claims on behalf of Covered Persons. In this case, however, a Covered Person still has the option to file claims on his/her own behalf.

If Horizon BCBSNJ fails to furnish claim forms to the Employer for delivery to Covered Persons, or if the Covered Person fails to receive them from the Employer within 15 days after requesting them, the Covered Person making a claim will be deemed to have met the requirements for giving proofs of loss (see item b. under "Submission of Claims", below) if he or she submits written proof of loss covering the occurrence, character and extent of the loss within the time limit for submitting such proof.

Submission of Claims

These procedures apply to the filing of claims. All notices from Horizon BCBSNJ will be in writing.

- a. If a Deductible applies under the Program, we recommend that it should be met before a claim is filed. Once the first claim is filed, we recommend that you send later claims: (a) when you or a covered Dependent Incurs \$100.00 or more in Covered Charges; or (b) whenever a lesser amount has been Incurred and four months have passed from the time you submitted your first claim.
- b. Claim forms must be filed no later than 18 months after the date the services were Incurred.
- c. Itemized bills must accompany each claim form. A separate claim form is needed for each claim filed. In general, the bills must contain enough data to identify: the patient; the Provider; the type of service and the charge for each service and the Provider's license number.
- d. Bills for Prescription Drugs must contain: the prescription number; and the name, strength and quantity of the drug dispensed.
- e. Horizon BCBSNJ will pay all Clean Claims no later than 30 calendar days of receipt. If the claim is not a Clean Claim, we will pay any part of it that is complete and proper according to these time limits.
- f. If a claim is disputed or denied due to missing information or documentation, Horizon BCBSNJ will pay the claim within 30 calendar days after receipt of the missing information or documentation.
- g. If a claim is denied or disputed, in whole or in part, Horizon BCBSNJ will notify the claimant (or his/her agent or designee) of it within the applicable time frame specified in the section Appeals Process.

The denial notice will set forth:

1. the reason(s) the claim is denied;
2. specific references to the main Program provision(s) on which the denial is based;
3. a specific description of any further material or information needed to complete the claim, and why it is needed;

4. a statement that the claim is disputed, if this is so. If the dispute is about the amount of the claim, we will explain why and also explain any change of coding that we make;
 5. a statement of the special needs to which the claim is subject, if this is the case;
 6. an explanation of the Program's claim review procedure, including any rights to pursue civil action;
 7. if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision, either the specific rule or a statement that such a rule was relied upon in making the decision, and that a copy of such rule will be provided free of charge upon request;
 8. if the decision is based on Medical Necessity and Appropriateness or an Experimental or Investigational (or similar) exclusion or limitation, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Program to the medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 9. if the decision involves a Medical Emergency or Urgent Care, a description of the expedited review process applicable to such claims; and
 10. the toll free number that the Covered Person or his/her Provider can call to discuss the claim.
- h. If Horizon BCBSNJ does not process claims within any applicable time frame, Horizon BCBSNJ will pay interest on the claims as and to the extent required by law.
- i. This applies if an Employee is the non-custodial parent of a Child Dependent. In this case, Horizon BCBSNJ will give the custodial parent the information needed for the Child Dependent to obtain benefits under the Program. We will also permit the custodial parent, or the Provider with the authorization of the custodial parent, to submit claims for Covered Services and Supplies without the Employee's approval.

To Whom Payment Will Be Made

- a. Payment for services of an In-Network Provider or a BlueCard Provider will be made directly to that Provider if the Provider bills Horizon BCBSNJ, as Horizon BCBSNJ determines. To receive In-Network coverage, a Covered Person must show his/her ID card when requesting Covered Services and Supplies from a Provider that has such an agreement.
- b. Except for claims involving emergent or inadvertent services and/or unless you have assigned the benefits in accordance with the Assignment provision in this Booklet, payment for services of an Out-of-Network Provider, Facility or Practitioner will be made to you. A Covered Person may direct Horizon BCBSNJ, in writing, to pay for claims to the Provider, Facility or Practitioner who provided the Covered Service or Supply for which benefits became payable. Horizon BCBSNJ will Determine to pay the Covered Person, Provider, Facility or Practitioner, as applicable. But, Horizon BCBSNJ will not assume responsibility for making sure that the assignment was prepared correctly and/or that it correctly conveys the intention of the person who made it. We will not be held to know that one has been made unless it or a copy is filed with Horizon BCBSNJ. For more information about assignments under this Policy, please see the Assignment provision in the General Rules Section.
- c. Except as stated above, in the event of a Covered Person's death or total incapacity, any payment or refund due will be made to his/her heirs, beneficiaries, trustees or estate.

- d. If an Employee is the non custodial parent of a Child Dependent, Horizon BCBSNJ will pay claims filed as described in paragraph d. of the section "Submission of Claims" directly to: the Provider or Custodial parent; or the Division of Medical Assistance and Health Services in the Department of Human Services which administers the State Medicaid program, as appropriate.

If Horizon BCBSNJ pays anyone who is not entitled to benefits under this Program, Horizon BCBSNJ has the right to recover those payments.

APPEALS PROCESS

For the purposes of this "Appeals Process" section, the following terms used below have these meanings:

Adverse Benefit Determination (ABD): A denial, reduction or termination of, or a failure to make payment (in whole or in part) for a benefit. This includes such a denial, reduction, termination or failure that is due to: (a) eligibility; (b) a Rescission; (c) a policy exclusion or limitation that is not based on medical judgment or necessity; and/or (d) a decision involving the use of medical judgment.

Adverse Benefit Determination that is benefits based (ABD-Benefits): An ABD decision that: (a) is based on eligibility; (b) involves a Rescission; or (c) involves a policy exclusion or limitation that is not based on medical judgment.

Adverse Benefit Determination involving medical judgment (ABD-Medical): An ABD decision involving the use of medical judgment, e.g., that an item or service is deemed by the plan to be: not Medically Necessary or Appropriate; Experimental or Investigational; a Cosmetic Service; a dental item or service and therefore excluded.

Claim: A request by a Covered Person or Provider for payment relating to health care services or supplies.

Final Internal Adverse Benefit Determination: An Adverse Benefit Determination:

- (a) that has been upheld by Horizon BCBSNJ at the completion of the internal review process;
- (b) with respect to which Horizon BCBSNJ has waived its right to conduct an internal review;
- (c) for which Horizon BCBSNJ did not fully comply with internal appeals process requirements within the regulations promulgated by the State of New Jersey; or
- (d) for which the Covered Person or his/her Provider has applied for an expedited external review at the same time as applying for an expedited internal review.

Post-service Claim: Any Claim for a benefit that is not a Pre-service Claim.

Pre-service Claim: Any Claim for a benefit with respect to which the terms of the plan condition receipt of the benefit, in whole or in part, on its approval in advance of obtaining medical care.

Rescission: A cancellation or discontinuance of coverage that has a retroactive effect. This does not include a loss of coverage due to a failure to timely pay: (a) required premiums; or (b) contributions to the cost of the coverage.

Urgent Care Claim: A Claim for medical care or treatment with respect to which application of the time periods for making a non-urgent determination:

- (a) could, in the judgment of a prudent layperson possessing an average knowledge of health and medicine, seriously jeopardize the life or health of the Covered Person, or the ability of the Covered Person to regain maximum function; or
- (b) would, in the opinion of a physician with knowledge of the Covered Person's medical condition, subject him/her to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Time Frame for Initial ABDs

A Covered Person shall be notified of Horizon BCBSNJ's initial Adverse Benefit Determination as quickly as possible based on the medical circumstances, but in no event later than:

- (a) 72 hours from receipt of an Urgent Care Claim;
- (b) 15 days from receipt of a Pre-service Claim (excluding claims made for Substance Use Disorders); or
- (c) 30 days from receipt of a Post-service Claim;
- (d) 24 hours from the receipt of a Pre-service Claim relating to Substance Use Disorders.

Horizon BCBSNJ will provide written notice of the decision within two business days and will include an explanation of the applicable appeals process.

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal Horizon BCBSNJ's ABD, as described below. Requests for administrative and utilization management determinations may be made by the Covered Person or by the attending health care provider acting on behalf of the member. The attending health care providers in those instances are deemed as the Covered Person's authorized representative. No Covered Person or Provider who files an appeal will be subject to disenrollment, discrimination or penalty by Horizon BCBSNJ.

Appeals Process for ABD-Medical - Excluding those related to Substance Use Disorders

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal an ABD-Benefits. Such an appeal must be filed within 180 days from the date of the ABD.

The appeal process for an ABD-Benefits consists of: (a) an informal internal review by Horizon BCBSNJ; and (b) if the initial decision is upheld, a formal second level internal review by Horizon BCBSNJ.

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) can appeal an ABD-Benefits by calling or writing Horizon BCBSNJ at the telephone number or address on the Covered Person's ID card. The Covered Person must include the following information:

- 1) the name(s) and address(es) of the Covered Person(s) or Provider(s) involved;
- 2) the Covered Person's ID number;
- 3) the date(s) of service;
- 4) the details regarding the actions in question;
- 5) the nature of and reason behind the appeal;
- 6) the remedy sought; and
- 7) the documentation to support the appeal.

Following the plan's review of the appeal, if the initial ABD-Benefits is upheld, the Covered Person, if still dissatisfied, can file an appeal for a formal second level review that will be decided by Horizon BCBSNJ professionals who were not involved in the prior decisions. All ABD-Benefits denials include

a written explanation of the appeals process with instructions on how to proceed to the next level of the appeals process.

The time frames for deciding appeals for ABD-Benefits are as follows:

- (a) For ABD-Benefits involving: an Urgent Care Claim; an Inpatient admission; the availability of medical care; the continuation of an Inpatient Facility stay; or a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility: 72 hours.
- (b) For all other ABD-Benefits: 15 calendar days for Pre-service Claims; 30 calendar days for Post-service Claims. The same time frames apply for the formal second level internal review.

For each level of appeal, Horizon BCBSNJ will provide the Covered Person and/or the Provider with notice of the outcome, and if the ABD-Benefits is upheld, instructions for filing for the next level of review. If the initial ABD-Benefits is upheld through both levels of the internal review process, no further remedies are available from Horizon BCBSNJ. In this event, Horizon BCBSNJ will provide the Covered Person with information regarding the availability of and contact information for the consumer assistance program of the New Jersey Department of Banking and Insurance. The Department's address and phone number appear below in subsection d. of the following section.

Appeals Process for ABD-Medical

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal an ABD-Medical. The appeal process for Adverse Benefit Determinations involving medical judgment (ABD-Medical) consists of: (a) an informal Stage 1 internal review by Horizon BCBSNJ; (b) a formal Stage 2 internal review by Horizon BCBSNJ; and (c) a formal external review by an Independent Utilization Review Organization (IURO). The initial appeal must be filed within 180 days after Horizon BCBSNJ's initial ABD-Medical.

Any ABD-Medical will be culturally and linguistically appropriate and will include the following timely information:

- 1) Information identifying the claim involved, including: the date of service; the health care Provider; the claim amount (if applicable); and a statement about the availability, upon request, of the diagnosis and treatment codes, and their corresponding meaning.
- 2) The reason(s) for the denial, including: the denial code and its meaning; and a description of the standard used by Horizon BCBSNJ in the denial.
- 3) Information regarding the availability of, and contact information for, the consumer assistance program of the New Jersey Department of Banking and Insurance. (The Department's address and phone number appear below in subsection d.)

Also, Horizon BCBSNJ will timely provide to the Covered Person and/or the Provider acting on his/her behalf, free of charge, any new or additional evidence or rationale, however generated, that Horizon BCBSNJ will rely upon, consider or use in connection with an ABD-Medical.

Except as otherwise provided below, a Covered Person must follow the steps for filing the three levels of appeal. If these steps are not followed, the Covered Person's appeal review may be delayed or forfeited.

a. First Level Appeal - Stage 1

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) can file a First Level Stage 1 Appeal by calling or writing Horizon BCBSNJ at the telephone number or address on the Covered Person's ID card. At the First Level Appeal, a Covered Person may discuss the ABD-Medical directly with the Horizon BCBSNJ physician who made it, or with the medical director designated by Horizon BCBSNJ.

To submit a First Level Appeal, the Covered Person must include the following information:

- 1) the name(s) and address(es) of the Covered Person(s) or Provider(s) involved;
- 2) the Covered Person's ID number;
- 3) the date(s) of service;
- 4) the details regarding the actions in question;
- 5) the nature of and reason behind the appeal;
- 6) the remedy sought; and
- 7) the documentation to support the appeal.

Horizon BCBSNJ will decide First Level Appeals within 72 hours in the case of an ABD-Medical involving:

- (a) an Urgent Care Claim or a Medical Emergency;
- (b) an Inpatient admission;
- (c) the availability of medical care;
- (d) the continuation of an Inpatient Facility stay; or
- (e) a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility.

Horizon BCBSNJ will decide all other First Level Stage 1 ABD-Medical Appeals within ten calendar days of receipt of the required documentation. Horizon BCBSNJ will provide the Covered Person and/or the Provider with: (a) written notice of the outcome; (b) the reasons for the decision; and (c) if the initial ABD-Medical is upheld, instructions for filing a Second Level Stage 2 Appeal.

b. Second Level Appeal - Stage 2

If a Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) is not satisfied with Horizon BCBSNJ's First Level Appeal decision, the Covered Person or Provider can file for, orally or in writing, a Second Level Stage 2 Appeal of the ABD-Medical to be decided by a panel of physicians and/or other health care professionals selected by Horizon BCBSNJ who were not involved in the original and First Level Appeal decisions. The panel shall have access to consultant Practitioners who are trained or who practice in the same specialty that would typically manage the case at issue being appealed. Upon the Covered Person's or Provider's request, such Consultant Practitioners will participate in the Second Level Stage 2 Appeal.

Horizon BCBSNJ will acknowledge the filing of Second Level Appeals in writing within ten business days of receipt and include instructions regarding the scheduling and how to participate in the Second Level Stage 2 Appeal hearing. Following the hearing, Horizon BCBSNJ will then provide written notice of the final decision on the appeal within 72 hours in the case of an ABD-Medical involving:

- (a) an Urgent Care Claim or a Medical Emergency;
- (b) an Inpatient admission;
- (c) the availability of medical care;
- (d) the continuation of an Inpatient Facility stay; or
- (e) a Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility.

Horizon BCBSNJ will decide all other Second Level Stage 2 Appeals of ABD-Medical within 20 business days.

If the Second Level Appeal is denied, Horizon BCBSNJ will provide the Covered Person and/or Provider with written notice of the reasons for the denial, together with a written notice of his/her right to proceed to an external appeal. Horizon BCBSNJ will include: (a) specific instructions as to how the Covered Person and/or Provider may arrange for such an external appeal; and (b) any forms needed to start the appeal.

c. Right to Waive Horizon BCBSNJ's Internal Appeal Process

In certain circumstances, a Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may not have to complete Horizon BCBSNJ's internal appeals process with respect to an ABD-Medical, and may proceed directly to the external appeal process described below, if:

- (a) Horizon BCBSNJ does not meet a time frame described above for the First and Second Level Appeals;
- (b) Horizon BCBSNJ waives its right to an internal review; or
- (c) the Covered Person or his/her Provider has applied for an expedited external review at the same time as applying for an expedited internal review.

With respect to (a), above, this right to proceed to the external appeal without completing the internal appeals process will not apply if Horizon BCBSNJ can show that: (a) the violation did not cause, and is not likely to cause, prejudice or harm to the Covered Person and/or Provider; (b) the violation was for a good reason or due to matters beyond Horizon BCBSNJ's control; (c) the violation occurred in the context of an ongoing, good faith exchange of information between Horizon BCBSNJ and the Covered Person and/or Provider; and (d) the violation is not reflective of a pattern or practice of non-compliance by Horizon BCBSNJ.

If Horizon BCBSNJ claims this exception, the Covered Person or his/her Provider may ask for a written explanation of the violation from Horizon BCBSNJ. Horizon BCBSNJ must then provide the explanation within ten calendar days. It must include a description of the basis for the assertion that the violation should not cause the internal process to be waived. Questions regarding this exception shall be decided by an external reviewer.

If it is determined that Horizon BCBSNJ meets the standard for the exception to part (a), the Covered Person and/or his/her Provider may then resubmit and pursue the internal appeal. Horizon BCBSNJ will then, within ten calendar days after that determination, notify the Covered Person and/or his/her Provider of that right. The time frame for refiling the Claim will start upon the Covered Person's and/or Provider's receipt of the notice.

d. External Appeal

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) who is dissatisfied with the results of Horizon BCBSNJ's internal appeal process with respect to an ABD-Medical can pursue an external appeal with an IURO assigned by the State of New Jersey Department of Banking and Insurance (the DOBI). Except as otherwise described above under part (c), the Covered Person's right to such an appeal depends on the Covered Person's full compliance with both stages of Horizon BCBSNJ's internal appeal process.

To start an external appeal, the Covered Person or Provider must submit a written request within four months from receipt of Horizon BCBSNJ's Final Internal Adverse Benefit Determination (or within four months from the date of an occurrence described in (a), (b) or (c) under "Right to Waive Horizon BCBSNJ's Internal Appeals Process", above).

The Covered Person or Provider must use the required forms and include both: (a) a **\$25.00** check made payable to "New Jersey Department of Banking and Insurance"; and (b) an executed release to enable the IURO to obtain all medical records pertinent to the appeal, to:

**New Jersey Department of Banking and Insurance
Consumer Protection Services
Office of Managed Care
P.O. Box 329
Trenton, New Jersey 08625-0329
(888) 393-1062**

The **\$25.00** fee will be refunded to the Covered Person or Provider if the IURO reverses Horizon BCBSNJ's ABD-Medical decision.

If the Covered Person cannot afford to pay the fee, the fee will be waived if the Covered Person can show proof of financial hardship. Proof of financial hardship can be demonstrated through evidence that one or more members of the household are receiving aid or benefits under: Pharmaceutical Assistance to the Aged and Disabled; Medicaid; General Assistance; Social Security Insurance; NJ FamilyCare; or the New Jersey Unemployment Assistance program. Annual filing fees for any one Covered Person shall not exceed **\$75.00**.

Upon receipt of the request for the appeal, together with the executed release and the appropriate fee, if any, the DOBI shall immediately assign the appeal to an IURO to conduct a preliminary review and accept it for processing. But this will happen only if the IURO finds that:

1. the person is or was a Covered Person of Horizon BCBSNJ;
2. the service or supply which is the subject of the appeal reasonably appears to be a Covered Service or Supply under the Covered Person's Program; and
3. the Covered Person has furnished all information needed by the IURO and the DOBI to make the preliminary determination. This includes: the appeal form; a copy of any information furnished

by Horizon BCBSNJ regarding its Final Adverse Benefit Determination; and the fully executed release.

Upon completion of this review, the IURO will immediately inform the Covered Person or Provider, in writing, as to whether or not the appeal has been accepted for review. If it is not accepted, the IURO will give the reasons.

If the appeal is accepted, the IURO will notify the Covered Person and/or his/her Provider of the right to submit in writing, within five business days, any further information to be considered in the review. The IURO will provide Horizon BCBSNJ with any such information within one business day after its receipt.

The IURO will complete its review and issue its decision in writing within 45 calendar days from its receipt of the request for the review. But that time frame will be reduced to 48 hours if the appeal involves any of the following:

- (a) An Urgent Care Claim or a Medical Emergency.
- (b) An Inpatient admission.
- (c) The availability of medical care.
- (d) The continuation of an Inpatient Facility stay.
- (e) A Claim for medical services for a Covered Person who has received emergency care, but who has not been discharged from a Facility.
- (f) A medical condition for which the standard time frame would seriously jeopardize the life or health of the Covered Person or his/her ability to regain normal function.

When the IURO completes its review, it will state its findings in writing and make a determination of whether Horizon BCBSNJ's denial, reduction, or termination of benefits deprived the Covered Person of Medically Necessary and Appropriate treatment. If a decision made within 48 hours was not in writing, the IURO will provide a written confirmation within 48 hours after the verbal decision.

If the IURO determines that the denial, reduction, or termination of benefits deprived the Covered Person of Medically Necessary and Appropriate treatment, this will be conveyed to the Covered Person and/or Provider and Horizon BCBSNJ. The IURO will also describe the Medically Necessary and Appropriate services that should be received. This determination is binding upon Horizon BCBSNJ and the Covered Person, except to the extent that other remedies are available to either party under state or federal law.

If all or part of the IURO's decision is in favor of the Covered Person, Horizon BCBSNJ will provide coverage for those Covered Services and Supplies that are determined to be Medically Necessary and Appropriate. Unless there is a judicial decision stating otherwise, this will be done without delay even if Horizon BCBSNJ intends to seek a judicial review or other remedies.

And within ten business days of its receipt of a decision in favor of the Covered Person, (or sooner, if the medical facts of the case indicate a more rapid response), Horizon BCBSNJ will send a written report to: the IURO; the Covered Person and/or Provider; and the DOBI that describes how Horizon BCBSNJ will implement the IURO's determination.

Appeals Process for ABD-Medical - Exclusive to Substance Use Disorders

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) may appeal an ABD-Medical with respect to Substance Use Disorders.

The appeal process for Adverse Benefit Determinations involving medical judgment with respect to Substance Use Disorders consists of the following:

- (a) an expedited internal review by Horizon BCBSNJ (a "Substance Use Disorders Stage One Appeal"); and
- (b) a formal expedited external review with the Independent Health Care Appeals Program at DOBI (a "Substance Use Disorders Stage 2 Appeal").

Substance Use Disorders Stage 1 Appeal

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) can file a Substance Use Disorders Stage 1 Appeal by calling or writing Horizon BCBSNJ at the telephone number and address on the Covered Person's ID card. At the Substance Use Disorders Stage 1 Appeal, a Covered Person may discuss the ABD-Medical directly with the Horizon BCBSNJ physician who made it, or with the medical director designated by Horizon BCBSNJ.

To submit a Substance Use Disorders Stage 1 Appeal, the Covered Person must include the following information:

1. the name(s) and address(es) of the Covered Person(s) or Provider(s) involved;
2. the Covered Person's ID number;
3. the date(s) of service;
4. the details regarding the actions in question;

Horizon BCBSNJ will decide Substance Use Disorders Stage 1 Appeals within 24 hours. Horizon BCBSNJ will provide the Covered Person and/or the Provider with: (a) written notice of the outcome; (b) the reasons for the decision; and (c) if the initial ABD-Medical is upheld, instructions for filing a Substance Use Disorders Stage 2 Appeal.

Substance Use Disorders Stage 2 Appeal

A Covered Person (or a Provider acting for the Covered Person, with the Covered Person's consent) who is dissatisfied with the results of Horizon BCBSNJ's internal appeal process with respect to a ABD-Medical can pursue a Substance Use Disorders Stage 2 Appeal, an expedited external appeal with an IURO assigned by the DOBI. The procedures for filing a Substance Use Disorders Stage 2 Appeal are the same as in those set forth above in "External Appeal".

When the IURO completes its review, it will state its findings in writing and make a determination of whether Horizon BCBSNJ's denial, reduction, or termination of benefits deprived the Covered Person of Medically Necessary and Appropriate treatment. The IURO will provide its decision within 48 hours from its receipt of the request for the review.
